

Doomsday Engine - Bug #1717

[Windows] Obsolete support and update links in Add / Remove Programs

2014-01-25 00:56 - danij

Status: Closed	Start date: 2014-01-25
Priority: Normal	% Done: 100%
Assignee:	
Category:	
Target version:	
Description The application metadata is marked with obsolete help, support and update links, directing to the wiki and/or project page on sourceforge.net These links should point to more appropriate information, such as the user manual and the special 'latestbuild' page on the homepage. Also, none of the logo graphics are being displayed.	
Related issues: Related to Feature #1887: Migrate project build system to CMake 3 Closed 2014-10-20	

History

#1 - 2014-01-25 01:09 - danij

The current version number is also missing from the application metadata.

#2 - 2017-04-03 14:37 - skyjake

- Status changed from New to Closed

- % Done changed from 0 to 100

Should be taken care of in CPack-generated packages.

#3 - 2017-04-03 14:37 - skyjake
