

## Doomsday Engine - Bug #2113

### Event binding with a modifier condition is never triggered

2015-09-17 18:13 - skyjake

<b>Status:</b>	Closed	<b>Start date:</b>	2015-09-17
<b>Priority:</b>	Normal	<b>% Done:</b>	100%
<b>Assignee:</b>	skyjake		
<b>Category:</b>	Defect		
<b>Target version:</b>	1.15.4		
<b>Description</b>			
When evaluating the condition for event bindings, no binding context is being provided, which means the modifier is never evaluated successfully.			
B_CheckCondition uses B_EvaluateImpulseBindings in a specific binding context to find out the current value of the modifier.
