

Doomsday Engine - Bug #2150

Sound Works But Music Doesn't Play Problem (Windows; temp MIDI files written to incorrect folder?)

Description			
I'm running Doomsday 2.0 build 1874 on Windows 10 Pro. All sound drivers are loaded. When I start the game the sound works but the music doesn't play. Just tried to play on a other Windows 10 computer with the same results. Sound works but music doesn't play.			

History

#1 - 2016-02-22 08:14 - skyjake

- Project changed from Homepage to Doomsday Engine
- Category set to Defect

#2 - 2016-02-25 17:56 - Harley51

When you run Doomsday as a administrator the music plays fine.
