

Doomsday Engine - Bug #2329

Gnome Icon

2019-05-01 19:32 - legluondunet

Status:	New	Start date:	2019-05-01
Priority:	Normal	% Done:	0%
Assignee:			
Category:	Enhancement		
Target version:	3.0		
Description			
<p>Hello, I installed last Doomsday unstable deb package and when I launched it on Ubuntu, there missed personalised icon in the dock. Could you set an icon for Doomsday on Gnome? Thanks.</p> <p>PS: I joined you a screen capture of my Desktop, you can see at bottom right non personalised Doomsday icon</p>
