Doomsday Engine - Bug #2402

[macOS] Doomsday.app notarization failed

2020-01-17 07:25 - skyjake

Status:	Closed		**Start date:**	2020-01-17
Priority:	Normal		**% Done:**	100%
Assignee:	skyjake			
Category:	3rd party compatibility			
Target version:	2.2.2			

Description

Notarization was not successful because the server and tools executables were not all codesigned.
