

Doomsday Engine - Feature #1222

5.1 Digital sound

2003-07-03 04:22 - skyjake

Status: Closed	Start date: 2003-07-03

If somebody has the needed hardware and wants to code the support, I'm more than happy to accept the patches.
:-)

I believe FMOD takes care of this with 3D sounds and the appropriate speakermode option (-speaker51).
