

Doomsday Engine - Feature #1512

List all impulses in context help for ccmd impulse

2010-03-31 13:21 - danij

Status: New	Start date: 2010-03-31
Priority: Normal	% Done: 0%
Assignee:	
Category: User experience	
Target version: 3.x	
Description When using the context help for the ccmd impulse it would be helpful if all recognised impulse name strings were listed (similar to ccmd give).	
Labels: User Interface
