

Doomsday Engine - Bug #1588

[Console] Unclear when autocompletion popup is scrollable

2013-10-18 10:51 - skyjake

Status:	Closed	Start date:	2013-10-18
Priority:	Low	% Done:	100%
Assignee:	skyjake		
Category:	User experience		
Target version:	1.12.1		
Description			
The color of the autocompletion popup indicator is not visible enough on the inverted background.			

Associated revisions

Revision 7f566e35 - 2013-10-23 18:39 - skyjake

UI|Client|Default Style: Color for scroll bar indicator

ScrollAreaWidget now allows specifying a color to be used for the scroll indicator.

CommandWidget now uses an "inverted" color in the completions popup document's indicator to make it more visible.
