Doomsday Engine - Bug #1590

Cannot reshow autocompletion popup

2013-10-18 10:54 - skyjake

Status:	Closed		**Start date:**	2013-10-18
Priority:	Low		**% Done:**	100%
Assignee:	skyjake			
Category:	User experience			
Target version:	1.12.1			

Description
Once dismissed the autocompletion popup can't be reshown until cursor moves: pressing Tab again completes rather than reopens the popup.

Associated revisions

Revision 2dbf3469 - 2013-10-24 07:44 - skyjake

Fixed|Console: Reshowing a previously dismissed autocompletion popup

Any popup can be manually dismissed by clicking outside it. Previously
it was not possible to restore the autocompletion popup after it was
dismissed without starting a new autocompletion action.

This commit fixes #1590.

Revision e2cc8ed4 - 2013-10-24 07:56 - skyjake

Fixed|Console: Reshowing a previously dismissed autocompletion popup

Any popup can be manually dismissed by clicking outside it. Previously
it was not possible to restore the autocompletion popup after it was
dismissed without starting a new autocompletion action.

This commit fixes #1590.
