Description			
Here is a copy of my log attached.			
I just followed the wiki using qmake and installed dependencies.			

History

#1 - 2014-02-22 18:22 - daniij

- Assignee set to daniij
- Priority changed from Normal to High

I've pushed a few changes which should fix the build errors. Please try again with the current master and let us know you get on.

#2 - 2014-02-23 01:10 - xenphor

Ok I was able to build it.

#3 - 2014-02-23 02:23 - daniij

- Status changed from New to Closed
- % Done changed from 0 to 100
