Doomsday Engine - Feature #1793

Use rich formatting in help strings

2014-05-01 11:21 - skyjake

Status:	New	**Start date:**	2014-05-01
Priority:	Normal	**% Done:**	0%
Assignee:	skyjake		
Category:	Enhancement		
Target version:	3.x		

Description

The help strings database cphelp.txt should be enhanced to use rich formatting and Info syntax for the files. We already have the documentation being generated from Amethyst files; this should be adapted to produce the appropriate escape codes.
