Doomsday Engine - Bug #195

Background Translucency

2004-09-01 04:26 - robinpalmer

Status:	Closed	**Start date:**	2004-09-01
Priority:	Low	**% Done:**	100%
Assignee:	skyjake		
Category:			
Target version:	1.8.2		

Description

The slider under Control Panel\ Console\ Background Translucency works back to front. When set to 100 the console should be clear - see through, and set to 0 should be opaque. This bug has been present for a long time. Maybe change Background Translucency to Background Opacity?

Yes, "opacity" is good.
