

Doomsday Engine - Bug #2003

Windows uninstaller leaves compiled Python files behind

2015-03-26 08:26 - skyjake

Status: Closed	Start date: 2015-03-26
Priority: Low	% Done: 100%
Assignee: skyjake	
Category: User experience	
Target version:	
Description When one uninstalls Dday on Windows, it leaves various Python files in the Snowberry folder. These files should be automatically deleted when uninstalling.

- % Done changed from 0 to 100

This issue is obsolete because the Windows installer uses MSI packages and Snowberry/Python is no longer included.
