Doomsday Engine - Bug #2027

Feature # 1580 (New): Fix the Doom 64: Absolution TC plugin

Doom64TC map is missing 'on' textures for switches

2015-05-03 00:46 - rhargrave

Status:	New		**Start date:**	2015-05-03
Priority:	Normal		**% Done:**	0%
Assignee:				
Category:	Defect			
Target version:	Modding			

Description

It looks like textures for buttons in the 'on' state are missing. This can be confusing when playing without sound. Button sounds may also be missing.
