

Doomsday Engine - Feature #2092

[Unix] Add .desktop files for apps in the installation

2015-06-15 22:26 - skyjake

Status: Closed	Start date: 2015-06-15
Priority: Normal	% Done: 100%
Assignee: skyjake	
Category: User experience	
Target version:	
Description The unstable 2.0 builds currently do not include <i>.desktop</i> files for the client and the Shell. A CMake macro should be added for generating a <i>.desktop</i> file for all of the applications in the build (including test apps, if they are present).
