

Doomsday Engine - Bug #2145

Shell does not take quotes into account when entering options for server

2015-12-26 16:52 - skyjake

Status:	Closed	Start date:	2015-12-26
Priority:	Normal	% Done:	100%
Assignee:	skyjake		
Category:	Defect		
Target version:	1.15.7		
Description			
In the Doomsday Shell app, when starting a server, entering command line options enclosed in quotes does not cause the quoted options to be passed as single strings to Doomsday.			
The correct parsing of the options is easiest to achieve by using de::CommandLine.			
Reported in the forums: http://engine.net/forums/viewtopic.php?f=7&p=14525
