

Doomsday Engine - Feature #2205

Optimize ZIP, WAD, and data file access by caching metadata

2017-02-25 18:04 - skyjake

Status:	Closed	Start date:	2017-02-25
Priority:	Normal	% Done:	100%
Assignee:	skyjake		
Category:	Enhancement		
Target version:	2.0 – Home UI & Packages		
Description			
MetadataBank stores metadata about ZIP and WAD files, and package metadata for all data bundles.
