

Doomsday Engine - Feature #2335

[Shell] Command line option for opening connection to a server address

2019-06-24 14:41 - bond

Status:	New	Start date:	2019-06-24
Priority:	Normal	% Done:	0%
Assignee:			
Category:	Enhancement		
Target version:	3.x		
Description			
Add cmd-line parameter - server address - so Doomsday Shell will open server console window at start (Windows OS)			

History

#1 - 2019-11-29 22:40 - skyjake

- Subject changed from *Extend Doomsday Shell functionality* to *[Shell] Command line option for opening connection to a server address*
- Category set to *Enhancement*
- Target version set to *2.3.x*

Should be pretty simple to implement.

#2 - 2019-11-30 16:28 - skyjake

- Target version changed from *2.3.x* to *2.3*

#3 - 2020-12-08 08:27 - skyjake

- Target version changed from *2.3* to *3.x*
