Doomsday Engine - Bug #2412

doomsday package won't install on ubuntu ("libassimp" not found)

2020-02-03 11:52 - eunbolt

Status:	Closed		**Start date:**	2020-02-03
Priority:	Normal		**% Done:**	100%
Assignee:	skyjake			
Category:	3rd party compatibility			
Target version:	2.3			

Description

in the control file in the debian package you have it depending on "libassimp" though it should be "libassimp4"

sudo dpkg --install doomsday_2.3.0-build3319_amd64.deb
[sudo] password for dave:
(Reading database ... 792673 files and directories currently installed.)
Preparing to unpack doomsday_2.3.0-build3319_amd64.deb ...
Unpacking doomsday (2.3.0-build3319) over (2.3.0-build3276) ...
dpkg: dependency problems prevent configuration of doomsday:
doomsday depends on libassimp; however:
Package libassimp is not installed.

Ubuntu 19.10 \n \l

apt search libassimp

libassimp-dev/eoan 4.1.0~dfsg-5 amd64
3D model import library (development)

libassimp-doc/eoan,eoan 4.1.0~dfsg-5 all
3D model import library (documentation)

libassimp4/eoan,now 4.1.0~dfsg-5 amd64 [installed,automatic]
3D model import library

Associated revisions

Revision 8fa624dd - 2020-03-04 20:44 - skyjake

Fixed|Debian: Incorrect dependency in DEB metadata

There were two issues here:
1) The name of the libassimp library on Debian/Ubuntu is "libassimp4".
2) The packaging configuration failed to correctly check if the
library is actually needed (by default, it isn't).

IssueID #2412

History

#1 - 2020-02-03 11:53 - skyjake

- Target version set to 85

#2 - 2020-03-04 09:17 - eunbolt

Still an issue with build doomsday_2.3.0-build3340_amd64.deb

#3 - 2020-03-04 20:52 - skyjake

- Subject changed from dengine package wont install on ubuntu libassimp issue to doomsday package won't install on ubuntu ("libassimp" not found)

- Category set to 3rd party compatibility

- Status changed from New to Resolved

- Target version changed from 85 to Build system and tools

- % Done changed from 0 to 100

#4 - 2020-03-04 20:53 - skyjake

Should be good now in the next unstable 2.3 build.

#5 - 2020-12-08 11:29 - skyjake

- Status changed from Resolved to Closed

#6 - 2020-12-08 11:29 - skyjake

- Target version changed from Build system and tools to 2.3
