Description		
i need help pls fix this i relly want to play this source port		

History

#1 - 2020-02-23 15:15 - skyjake

- Tracker changed from Bug to Other
- Start date deleted (2020-02-22)

May I suggest posting on the tech support forum for help: <http://engine.net/support>

#2 - 2020-02-23 15:17 - skyjake

Also, check out this page in the manual: <https://manual.dengine.net/guide/troubleshooting>

We will need to see your doomsday.out log file to see if something is going wrong during startup.
