

Doomsday Engine - Feature #2430

Add support for Bethesda.net official addon PWADs

2020-09-17 14:25 - skyjake

Status:	New	Start date:	2020-09-17
Priority:	Normal	% Done:	0%
Assignee:	Deng Team		
Category:	3rd party compatibility		
Target version:	Modding		
Description			
<p>The official add-ons are PWADs that can be downloaded from Bethesda.net to be played with the Doom Classic Unity port. These should be recognized in the game library and provided built-in profiles automatically.</p> <p>Also check out support for the enhanced widescreen intermission screens in the Doom Classic Unity port.</p> <p>DoomWiki: Official add-ons</p>
