

Doomsday Engine - Bug #323

[DOOM/HEXEN/HERETIC] Console command 'warp' without space

Category:	
Target version: 1.9.0-beta4	
Description Autocompletion of the console command 'warp' doesn't add a trailing space anymore, used to work in previous releases. (Dani requested me to post this <small>bug</small> report as a reminder. Actually its not a real bug due to changes in console functionality). Labels: Console

Fixed for Doomsday 1.9.0-beta5.

Will be committed to SVN soon.
