Doomsday Engine - Bug #398

Broken invincibility ring effect in jHeretic.

2007-01-13 10:10 - danij

Status:	Closed		**Start date:**	2007-01-13
Priority:	Normal		**% Done:**	100%
Assignee:	danij			
Category:				
Target version:	1.9.0-beta5			

Description

Playing jHeretic with 1.9.0beta5, and when you use the Invincibility ring, the screen continually flashes gold like it would when the ring is wearing off.
