

Doomsday Engine - Bug #406

Snowberry initialization error - game doesn't boot

2007-02-02 08:59 - briandamgaard

Status:	Closed	Start date:	2007-02-02
Priority:	Urgent	% Done:	100%
Assignee:	skyjake		
Category:			
Target version:			
Description			
After installing version 1.9.beta5, Snowberry exits with an error message instead of loading the game(s). Here are the contents of the error logfile "snowberry.exe.log":			
Traceback (most recent call last):			
File "snowberry.py", line 44, in <module>			
File "snowberry.py", line 30, in main			
File "plugins.pyc", line 75, in loadAll			
File "logger.pyc", line 128, in formatTraceback			
File "traceback.pyc", line 101, in extract_tb			
TypeError: fake_getline() takes exactly 2 arguments (3 given)
