

Doomsday Engine - Bug #416

Switch fails, can't continue game

2007-02-12 15:49 - shirokuroneko

Status: Closed	Start date: 2007-02-12
Priority: Normal	% Done: 100%
Assignee:	
Category:	
Target version: 1.9.0-beta5	
Description At the beginning of Guardian of Ice zone (2nd entrance) you press a switch to rise a pair of stairs. However, ceiling fails to go up making it impossible to continue. You can check it on the screenshot. I've already checked different versions and this bug doesn't happen in version 1.8.6. Thank you! Labels: jHexen Gameplay
