

Doomsday Engine - Bug #504

USE key not functioning

2008-01-09 23:18 - spaceleftblank

Status: Closed	Start date: 2008-01-09
Priority: Normal	% Done: 100%
Assignee:	
Category:	
Target version: 1.9.0-beta5	
Description The USE key in jheretic does not work regardless of what key it is set to. Am using 1.9.0 beta52 on Gentoo Linux and the shareware heretic wad.

This is a known issue with 1.9.0-beta5.2 due to the changes made to improve security to the packet handling. I would suggest that if you use 1.9.0-beta5.1 instead.

#2 - 2008-09-24 13:02 - danij

This has been addressed for 1.9.0-beta6
