

Doomsday Engine - Bug #657

DED Reader: Failing to locate State definitions

2009-04-01 16:44 - vermil

Status: Closed	Start date: 2009-04-01
Priority: Normal	% Done: 100%
Assignee: danij	
Category:	
Target version: 1.9.0-beta6	
Description The ded reader is failing to locate states being loaded by custom definitions in the second pass, leading to Dday erroneously thinking that they aren't present.	
Labels: Definitions

I'm currently looking into this rather strange problem. The DED parser is correctly reading all states but Def_GetStateNum is failing to subsequently locate it.

#2 - 2009-04-01 20:44 - danij

Fixed in svn for 1.9.0-beta6.2
