

Doomsday Engine - Bug #786

Heretic: Puff Pod spawns

2009-09-26 08:09 - vermil

Status:	Closed	Start date:	2009-09-26
Priority:	Normal	% Done:	100%
Assignee:	daniij		
Category:			
Target version:	1.9.0-beta6		
Description			
In Beta6.6, Puff Pod generators (MT_PODGENERATOR) are spawning their pods (A_MakePod) on the ceiling, at which point they fall to the ground, instead of at the height of the spawner mobj.			
As an example, Pod Generators can be found in the room behind where the player starts on E1M8.
