

Doomsday Engine - Bug #97

Loading order of included DEDs

2003-07-01 11:15 - skyjake

Status: Closed	Start date: 2003-07-01
Priority: High	% Done: 100%
Assignee: skyjake	
Category:	
Target version: 1.7.7	
Description The order in which DED files included from other DED files are read is incorrect. An included DED file should be read immediately after the include directive has been encountered. Currently the loading order of included DEDs is somewhat unpredictable. Changing this may cause slight problems for mod-makers who are using multiple DED files. Labels: Definitions
